EVERYDAY ASSISTANCE:

Tara needed a reliable, medically trained babysitter to help take care of her young son who has chronic asthma. She and her husband had tried every avenue they could think of to get a decent sitter but kept coming up blank. The Assistance Program was able to provide a list of professional babysitters, all medically trained, and well suited to her son's needs. Tara now has time back in her day, and peace of mind that her son is well cared for.
